

Transportation & Active Communities Environment

January 8, 2015

4:00

People Present: Peter Garrett, Joel Greenwood, Chris Huck, Fran Mullin, Gi Reed, Jim Wood, Linda Woods

Jim explained that Mike Roy asked to have us defer our presentation until Tuesday, February 3. (Unfortunately, Peter is unavailable on this date.)

Jim distributed a tentative agenda. Each speaker has approximately 3 minutes.

1. Complete Streets—Scott Workman
2. Lewiston model—Jamel Torres? (Update: Jamel is not available.)
3. Commercial Core—Jennifer Olsen
4. Public Transit—Jim Wood
5. Safe Routes to School—Gi Reed, Fran Mullen
6. Health Benefits—Fran Mullen
7. A young person's perspective—Laura Howell
8. Community Focus—Joel Greenwood

If you are listed as a presenter above, please contact Jim ASAP to let him know of your availability on this new date of February 3. <jimw@kvcap.org>

We viewed Peter's power point, Jim's handout, and heard about Joel's and Gi & Fran's highlights.

Action Item:

Jim: Invite bus riders to attend the City Council meeting on February 3

Chris presented at the Complete Streets meeting of DOT staff who are responsible for contacts with regional planning commission.

Peter talked to Dave Allen (DOT traffic engineer for this region) about wanting a 3 lane stripe in Waterville. Dave said it was too late for Waterville. Fairfield town manager is advocating for a sidewalk on both sides of College Ave. Chris recommended a left turn lane on Western Ave. in Fairfield.

Gi announced that transportation will be available from both ends of the Family Fun Winter Carnival at Quarry Rd on January 31.

The next meeting will be **Tuesday, January 20** at **4:30** at **KVCOG** to practice for February 3. We hope that everyone who is presenting to the City Council can attend this meeting.

The following meeting will be **Thursday, March 19** at **4:00** at **KVCOG**.
